    ${ }^{1}$ Not all borrowers will qualify for the lowest rate. Rates listed are for example purposes only and are subject to change. Visit cafcu.org/rates for current rates.
    ${ }^{2}$ According to the Bankrate.com Minimum Payment Calculator (http:bit.ly/wBsq2). This estimate assumes a minimum payment equal to $3 \%$ of the outstanding balance. Your actual minimum payment, payoff time, and payoff cost will depend on your account terms and any future account activity.
